**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have recently upgraded from DSL to fiber through a competitive local provider. I want to keep the option of choice. Taking away access to critical unbundled network elements will no doubt increase prices and limit competition.

I urge you not to allow this. Please deny AT&T's petition.
